Dear Flutist,

It is with pleasure that I recommend Rachael Simon to service your flutes and piccolos. She is highly qualified, pleasant, patient and thorough in her work. Her innate mechanical abilities and attention to detail place her far above the typical skill set of a woodwind repair person.

Rachael worked with me at Burkart Flutes and Piccolos for 6 fun and productive years in finishing, quality control and repairing both flutes and piccolos. She is an authorized Burkart service center and has complete access to Burkart parts and factory access for more complex repairs of Burkart instruments.

You will have a great experience with Rachael. Go for it!

Sincerely,

Lillian Burkart, President  
Burkart Flutes and Piccolos
